

EXHIBITION AREAS AND HALL LAYOUTS

Exhibitors are thematically grouped together in order to ensure that visitors can easily find their way around the various themed areas. The fantasy section is located in Hall 3 together with the area for children and teenagers – adjacent to Manga-Comic-Con in Hall 1 and 3. Hall 2 displays the exhibition areas fiction and non-fiction, specialist books & science, religion, travel literature, music and education. Particularly for exhibitors of books on specialist subjects, this offers an ideal connection to the Congress Center Leipzig, where numerous professional events will be taking place. Hall 4 will accommodate fiction and non-fiction, audio and international themes. Visitors of Hall 5 will discover exhibitors from the areas of fiction and non-fiction, art books, non-books, service providers for publishers and bookstores, as well as autoren@leipzig. Book Art & Graphics and Antiquarian Book Fair are also located in Hall 5. Media, newspapers and magazines can be found in various exhibition areas in all halls.

Stands will be allocated to exhibitors according to the time of registration, as well as the available space, the exhibitor's needs and the possible options. Depending on the number of registrations, we will plan the hall layout and structure the exhibition areas at our own discretion. We plan to announce the stand numbers in early January.
